103 - 103

Series 103 provides a bright and airy aesthetic with its "Ice Stone" appearance. This 300×600 mm digital wall tile mimics white and silver-grey stacked stone, offering a clean, modern twist on rustic masonry. The Glossy Finish reflects light, making it an excellent choice for brightening up entryways and exterior facades, as depicted in the entrance mockup.

Size: 12IN x 24IN |
