102 - 102

Series 102 brings the warmth of natural earth tones to your walls with a realistic stacked stone design. Like its counterpart, it is a 300×600 mm digital wall tile with a Glossy Finish. This colorway softens the rugged stone texture, making it highly suitable for interior feature walls (such as dining areas or living rooms) as well as exterior cladding.

Size: 12IN x 24IN |
